NASCAR STREET STOCK RACE REPORT, SATURDAY, AUGUST 19, 1989

MARLEWSKI & BECKERS POST STREET STOCK TRIUMPHS
BECKERS MOVE INTO POINT LEAD

Jim Marlewski and Russ Beckers racked up victories in Saturday night's Nascar street stock main events at Saugus Speedway. Beckers win in the figure 8 finale plus a second-place finish in the oval event boosted the Sepulveda driver into first place in the torrid race for the 1989 championship. Beckers replaces Steve Nickolai who has held the top spot for most of the season except for a few weeks in July when Craig Rayburn was the leader. With last week's strong finishes by Beckers and Dale White Jr. and disappointing finishes by Nickolai and Rayburn, only 11 points separate the top four contenders in the most competitive street stock championship battle ever. Beckers moves from third position in points to become the new point leader, White goes from fourth to second just four behind and Nickolai falls from the point lead to be six points back in third. Finally, Rayburn drops from second to fourth eleven points off the pace. Only one night, September 16th, of racing for points remains on the street stock schedule.

Marlewski started on the pole for the street stock oval main and led every lap on way to his second feature win this year. White ran second from the drop of the green until lap 22 when he got sideways in turn four allowing Beckers to pass him down the front stretch but with only three laps remaining Beckers could not catch Marlewski and had to settle for second. White was third with Rip Michaels fourth and Ken Maler fifth.

Jeff Drake moved to the lead from pole position in the street stock figure 8 main event followed by Marlewski and Beckers. After a restart from a yellow flag on lap four, Beckers and Marlewski passed Drake for first and second respectfully as Drake started dropping back. When a red flag came out on lap eight Beckers and Marlewski were still up front followed by White and Steve Nickolai. The final red flag came out on lap twelve when Nickolai hit the third turn wall putting him out of the race. While under red Marlewski also dropped out moving White up to second. Beckers ran out the final three laps and became the fifth driver this year to win his fifth feature win. White came home second with Michaels, John Kirby, Rick Crow and Greg Van Grinsven the only other finishers on the lead lap.
